I DON'T

YOU'RE A  
BOTHER.

LEVI HEICHOU  
IS A SENSIBLE  
MAN...

WHY DON'T  
YOU TRY

TO TELL HIM  
HOW YOU  
FEEL?

MY  
FEELINGS...

I THINK HE'D BE  
VERY HAPPY...  
BUT THIS IS  
JUST WOMAN'S  
INTUITION.

As long

GO TO BED.

HE REJECTED ME.

HE...  
I HATE DOGS THAT DON'T LISTEN.

Pales...

AND HOW ABOUT WE MAKE THE TITAN'S OBJECTIVE TO HOWL AT THE SKY?  
EVERY TIME A SMOKE BOMB GOES OFF, CUT ALONG ONE OF THE LINES DRAWN ON YOUR HAND.

IN TODAY'S EXPERIMENT WE WANT TO FIND OUT WHAT DEGREE OF SELF-HARM WILL MAKE YOU TURN INTO A TITAN.

NOW THEN, LIKE I EXPLAINED EARLIER,

MAN, I'M GLAD THEY ALLOWED THE EXPERIMENT TO RUN EVEN THOUGH THE COMMODITY PROCUREMENT IS TOMORROW.

YES!

WELL THEN, WE'RE GOING TO BEGIN.  
...EREN?

The second smoke signal.

I WANT TO TELL HIM I FEEL.

Howl at the sky. Howl at...

BUT

I WASN'T REALLY EXPECTING A REPLY

Howl at the sky. Howl at the sky.

THERE'S NOTHING TO CUT THE BACK OF YOUR NECK WITH.

THE 3D MANEUVER GEAR MATERIALS ARE IN TOMORROW'S SHIPMENT.

ARE YOU LUCKY OR UNLUCKY?

EREN,

WHY ARE YOU UNABLE TO TURN BACK?

AFTER ALL I ALWAYS CAUSE TROUBLE FOR EVERYONE...

ERD'S GROUP IS ON LOOKOUT BY THE ROAD.

WE NEED TO TURN YOU BACK BEFORE THOSE BASTARDS INLAND GET TO YOU.

IN THE SURVEY

IF YOU  
MAKE A WISH  
AT THIS WELL,  
YOUR LOVE  
WILL COME  
TRUE.

-END-

Thank you so much for purchasing this doujinshi!  
Nice to meet you, my name is Ishida, a.k.a. Ishida Souji.

Even though it's sudden to say, I've become excessively obsessed with Shingeki no Kyojin... I got really interested after watching the first two episodes, and even though I'm really bad with gory graphic scenes and the like, I ended up buying the whole series. Not only is the story very interesting, but I was thrilled with its foreshadowing and speedy scenes. Furthermore, not only is Eren cute, but Heichou is cool, and Heichou is cool...that's really important. The cute couple with the age gap made me crazy.

The book this time is about a childishly jealous Heichou and a very desperate (I'm sorry...) Eren, and as the title indicates, it's a confession done in a well. The title is a spoiler. I was mostly drawing Eren in a titan form, so half way through I had an uneasy feeling and thought, "is this a BL book...?" but I'm satisfied since I got to draw my favourite characters, Petra and Hanji.

All I could think of was serious and serial contents, so if I get a chance, next time I'd like to draw a cute heart-warming story, or even a gag. (by the way, please let me say that the only "gag" in this is when Heichou kicks off the wall.) While I am thrilled with the intense unfolds of the manga, I'd like to wish for RivaEre's happiness~

Thank you very much for reading till the end!
